

# Stubborn Fool 2019

## 180 Adventure, LLC

### Rules

1. Competitors must always remain within 100 feet of teammates & within visual contact.
2. All team members must check in together at each checkpoint and TA.
3. If one member must leave the course, they must do so at a TA and notify race management.  
Incomplete teams may continue unranked.
4. Any team withdrawing from the race must notify a "live" person by checking in with a TA volunteer or by calling the race director.
5. Any short-coursed team will rank lower than full course teams, regardless of number of CPs obtained.
6. Race number must be visible on all team members at all times. Attaching the race number to a pack is ok, but if you do, you must have your pack with you at all times.
7. Teams must punch passports/punch cards in the correct space at each CP. All punches must be legible. If race staff cannot distinguish one punch from another, it will not be counted.
8. If a CP has an ALL PUNCH label on it, all team members must also punch their wristbands. Wristbands must be worn. Wristband punches must be legible, and separate from each other.
9. Solo racers are excused from the all punch rule. No wristbands necessary.
10. Teams that miss CPs will be ranked after teams that obtain all CPs. In the case of a tie, the team who obtained the most points in the shortest period of time is the winner.
11. Race cutoff is 4 pm on Saturday. Teams will lose 1 CP for each minute they are late:
12. 4:00:01-4:00:59 – loss of 1 CP, 4:01:00-4:01:59 – loss of 2 CPs, etc.
13. Race officials reserve the right to alter time cut-offs or the course itself to accommodate changing conditions.
14. Mandatory gear must be carried at all times and will be checked on the course.
15. GPS watch or trackers are allowed, **but must be stowed in a pack at all times during the race.** They cannot be worn or used to help you during the race. We are allowing this so racers can track and post their "workout" on Strava or similar athletic apps once the race is over.
16. PFDs must be worn at all times while paddling.
17. Bicycle helmets must be worn at all times during the biking sections and when specifically directed by race officials.
18. Racers must use the mode of travel specified to obtain CPs as outlined in Course Instructions.
19. Racers may not travel across frozen bodies of water.
20. NO LITTERING! Leave no trace! Clean-up award to the team that picks up the most trash.
21. Use of cellular phone is for emergencies only. No other use is allowed.
22. Any protest must be filed in writing within one hour of the team's finish and will be reviewed by the Race Committee.
23. Land navigation sections are off-limits areas for biking.
24. Roads off-limits for biking are indicated on your maps. Crossing is ok but not traveling along them.
