Rules

1. Competitors must always remain within 100 feet of teammates & within visual contact.
2. All team members must check in together at each checkpoint and TA.
3. At TAs, teams must check **in** and **out** with the volunteer.
4. If one member must leave the course, they must do so at a CP or TA and notify race management. Incomplete teams may continue unranked.
5. Any team withdrawing from the race must notify a “live” person by checking in with a CP or TA volunteer or by calling the race director.
6. Any short-coursed team will rank lower than full course teams, regardless of number of CPs obtained. Missing any mandatory CP results in short-course status.
7. Race number must be visible on all team members at all times. Attaching the race number to a pack is ok.
8. Teams must punch passports in the correct space at each CP. All punches must be legible. If race staff cannot distinguish one punch from another, it will not be counted.
9. If a CP has an ALL PUNCH label on it, punch the passport AND all team members must punch their wristbands. Wristbands must be worn only on the wrist. Wristband punches must be legible, and separate from each other. If race staff cannot distinguish one punch from another, it will not be counted.
10. Solo racers do not need to wear or punch a wristband.
11. Teams must turn in their passport/punch card at each TA unless otherwise directed by race staff.
12. Teams must complete each leg of the race in the order listed unless directed otherwise by race staff.
13. Teams may not obtain CPs from a previous leg of the race once they have started the next leg.
14. Teams that miss CPs will be ranked after teams that obtain all CPs. In the case of a tie, the team who obtained the most points in the shortest period of time is the winner.
15. Race cutoff is 6:00 p.m. on Saturday for the 5-hour, 7:00 p.m. on Saturday for 12-hour and 1:00 p.m. on Sunday for the 30-hour. Teams will lose 1 CP for each minute they are late. For example: 6:00:01-6:00:59 – loss of 1 CP, 6:01:00-6:01:59 – loss of 2 CPs, etc.
16. Race officials reserve the right to alter time cut-offs or the course itself to accommodate changing conditions.
17. Mandatory gear must be carried at all times and will be checked on the course.
18. GPS watch or trackers are allowed, **but must be stowed in a pack at all times during the race**. They cannot be worn or used to help you during the race. We are allowing this so racers can track and post their work out on Strava or similar apps once the race is over.
